Iran to react with 'crushing' force if Trump orders strike

IRAN warned it would retaliate with 'crushing' force against the US if Donald Trump ordered a strike against the country's nuclear facilities.

Ali Rabiei, an Iranian government spokesman, said 'any action against the Iranian nation would certainly face a crushing response' after US officials revealed President Trump (above) had asked about ways to punish Iran for its nuclear build-up.

The Pentagon's strike plans against Iran are thought to include missile attacks, cyber-warfare and pre-emptive action by Israel, which has previously carried out a series of operations against Iran.

While Trump's advisers talked him out of a military strike, he might still look at other ways to hit Iran before he is due to hand over power to Joe Biden.

Sick Indian soldiers were 'microwaved'
CHINESE troops used space age 'microwave' weapons to force Indian soldiers to retreat by making them violently sick during a Himalayan stand-off, a professor has claimed.

The electromagnetic weapons, which cook the human tissue of enemy troops, 'turned the mountain tops into a microwave oven' and made the Indian soldiers vomit, international studies expert Jin Canrong told his students in Beijing.

The weapons target water under the skin and cause increasing amounts of pain to their target.

BORIS IN SCOT WATER OVER DEVOLUTION

BORIS Johnson was yesterday accused of doing the SNP's work for them after he stormed that devolution had been a 'disaster'.

The PM is facing the fury of unionists after venting his frustration at surging support for independence north of the border – blaming Tony Blair for handing powers to Holyrood.

A jubilant Nicola Sturgeon (right) immediately seized on the comments – made during a Zoom call with MPs – to claim Mr Johnson wanted to claw back control to Westminster.

Tories raged that they were 'speechless' about his 'loose language', which comes ahead

of critical elections north of the border in May – which the separatists want to use as a platform for forcing another referendum on splitting the UK next year.

A former communications chief for the party, Andy MacIver, said: "If the SNP could write the unionist script, it would look exactly like this."

Sources close to Mr Johnson tried to limit the damage by insisting that he was referring to the way devolution has been 'used by separatists and nationalists to break up the UK'.

But Downing Street did not deny the leaked comments.

CORBYN BLASTED FOR ANTI-SEMITISM 'PATHETIC NON-APOLOGY'

JEWISH representatives blasted former Labour leader Jeremy Corbyn as he finally admitted "regret" over downplaying the extent of anti-Semitism in the party.

The Momentum icon issued a lengthy apology on Facebook admitting he had been wrong to criticise an independent report into the scale of racism aimed at Jews.

An official probe by the Equality and Human Rights Commission found Labour was

responsible for unlawful acts of harassment and discrimination.

Mr Corbyn rejected some of the findings and claimed the issue had been "dramatically overstated for political reasons" by his critics.

It prompted his suspension from the party.

But Marie van der Zyl, president of the Board of Deputies of British Jews, said: "The Jewish community does not accept this pathetic non-apology from Jeremy Corbyn."

Ministers signal ban on ALL booze sales after 9pm

FIRST they shut the pubs and now they want to stop you having any booze AT ALL!

Housing Secretary Robert Jenrick yesterday delivered a strong hint that the levels of local restrictions will be bolstered even if the national curbs are lifted as scheduled on December 2.

And he suggested some extra measures already taken in Nottinghamshire – such as a bar on alcohol sales after 9pm – could be 'embedded' in the arrangements.

He said no decision had been taken on whether to tighten the lowest Tier One, after health chiefs branded it ineffective.

That could potentially mean

By COLIN HURST
news@sundaysport.co.uk

families being prevented from gathering indoors over Christmas.

Pressed on the issue in the Commons, Health Secretary Matt Hancock refused to kill off the idea, saying it was 'too early to do the analysis'.

"We will remain vigilant," he told MPs.

Mr Jenrick also signalled regions, rather than individual towns and cities, will be subject to the same Tiers, to make them more 'consistent'.

And he said there will not be any 'definitive' decision on the shape of the rules post-December 2 until the end of this month.

He even refused to confirm

that the blanket lockdown will end on that date, saying the 'hope and expectation' was that it would.

However, Boris Johnson is under huge pressure from his own MPs to make the system looser than it was before.

There is a growing clamour for children aged under 12 to be exempted from the Rule of Six limit on people meeting up, as is already the case in other parts of the UK.

Normal

Sir Graham Brady, chair of the powerful 1922 committee, said 'common sense' changes were needed.

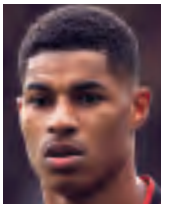

Appearing on Times Radio, Mr Jenrick was asked if the Government might be forced to ban indoor meetings over

Christmas if COVID-19 cases are still high.

He said: "We don't know that yet. The hard yards that we've done in November were designed to enable most people in England to have a much more normal December so that we can go to the shops, we can use hospitality and, as far as possible, we can be together as families at Christmas."

"We can see from the data that the tiered approach in October and early November was having an impact, particularly in some parts of the country."

"It's too early to say the true impact of the new national measures because there's a lag time of two or three weeks, but hopefully by the end of November we'll be in a position to take that judgment."

Now Rashford launches book club for kids

FOOTBALLER Marcus Rashford has followed his free school meals campaign by launching a book club to help children enjoy the escapism of reading.

The Manchester United and England star (above) has teamed up with Macmillan Children's Books to promote reading and literacy.

Books were "never a thing we could budget for as a family", the 23-year-old said.

"I only started reading at 17, and it completely changed my outlook and mentality."

Insisting reading shouldn't be for "just those that can afford it", he said: "I wish I was offered the opportunity to really engage with reading more as a child."

"There were times where the escapism of reading could have really helped me."

"I want this escapism for all children."

Macmillan said the scheme would focus on getting books to kids from vulnerable and underprivileged backgrounds.

Rashford added: "We know there are over 380,000 children across the UK today that have never owned a book, children that are in vulnerable environments. That has to change."

TODAY'S WEATHER

EARLY rain, heavy at times, in the west will move east. Colder, brighter conditions follow with a few showers, mainly in the northwest. Windy, especially in the north and west later.

Temperatures of 14C in London, 10C in Cardiff, 10C in Manchester, 9C in Belfast and 8C in Edinburgh.

RED BRACES TRIBUTE AT BOBBY BALL FUNERAL

MOURNERS at the funeral of comedian Bobby Ball have donned his trademark red braces to say a final farewell.

Fans lined the street outside Hope Church in Lytham, Lancashire, to pay their final respects to the Cannon & Ball star (right), who died at Blackpool Victoria Hospital on October 28 after testing positive for COVID-19.

His comedy partner, Tommy Cannon, was

among the mourners at the service, which was private and invite-only due to coronavirus restrictions.

Friends attending the funeral wore red braces under their suits as a farewell tribute to Bobby.

A table containing a book of condolence, hand sanitiser and donation box for the Blue Skies Hospital Fund and Lowther Pavilion was set up on the pavement where fans had gathered.

BET SHE FINGERS HERSELF ALL DAY LONG!

INSTA STAR:

She probably fingers herself all the live long day too!

Trolls target busty reality babe Kylie

Iced Finger, The Trap Door, United Kingdom

A fine set of large breasts

GORGEOUS Kylie Jenner has been hit with vile – and clearly untrue – allegations that she fingers her MINGE all day long!

The repellent slurs appeared on the website of the long-ago respectable *Daily Mail* when the newspaper published the 23-year-old reality TV star's latest social media offerings.

Kylie shared several new steamy selfies on Instagram, where she looked to be lit in hot pink light.

The *Keeping Up With the Kardashians* beauty wore a low-cut bra that made the most of her chest and tummy.

And she pulled down her black sweatpants to allow her 200 million followers to get a look at her hourglass figure.

The star seemed to be at home as there was a living room set up in the background and the tint of the photo was a neon fuchsia pink.

However, some of the comments on the article were decidedly BLUE!

One user, calling themselves "lotsocrap"

of Detroit in the US, dribbled: "She probably fingers herself all the live long day too".

Another sexist *Mail* reader using the name of "Iced Finger", wrote: "A fine set of large breasts."

Last night friends of Kylie were quick to defend their celeb pal.

One said: "Kylie is a businesswoman and TV personality. She simply does not have the time to finger herself all day long – even if she wanted to."

"The people who make these comments have psychological issues."

Dawn's Vicar of Dibley telly treat

DAWN French will be back on screen as Geraldine Granger in a Christmas special of *The Vicar Of Dibley In Lockdown*, the BBC has announced.

Thrilled Dawn (right) said: "Back in the dog collar, back in Dibley. I couldn't be happier. Bless you."

The show's writer, Richard Curtis, said: "There's been a lot happening in Dibley this year – and Dawn has got a lot to say about it."

Fisherpeople spark 'woke' row for Beeb

THE BBC has sparked a fresh 'woke' row for using the term 'fisherpeople' in a news report, with baffled listeners arguing that women only fill a fraction of the jobs.

Many tuning into Radio 4's *Today* programme were irked by Europe editor Katya Adler's gender neutral description during a package on Brexit talks.

Critics said people working in the industry on fishing boats are overwhelmingly men, pointing to a study finding that only 2.7 per cent are female.

But the row has reignited accusations the BBC is becoming too woke.

Professional gobshite and GMB presenter Piers Morgan (above) said on the show: "Here's the point, it's a rough old job, on the trawler boats on the rough high seas."

"I've never seen a woman on a trawler boat doing that. The whole language is being changed."

Heist lands £5m of juicy Apples

APPLE products worth £5million have been stolen from a lorry in a brazen motorway robbery.

The lorry's driver and a security guard were tied up during the heist, which took place on the M1 in Northamptonshire around 8pm on Monday.

The vehicle was driven to an awaiting truck, which drove off leaving the captives behind.

It was later found across the county's border in Lutterworth, Warks.

'Monster' agent Eric dead at 73

ERIC Hall, the former showbiz and football agent, has died aged 73 after a short illness.

Hall made his entry into the music business as a tea-boy alongside a young Elton John, and would later go on to represent some of the Premier League's biggest names in the 1990s.

His death was announced by the radio station where he worked, Time 107.5FM.

Famed for a trademark cigar and 'Monster monster' catchphrase, he made deals on behalf of Dennis Wise, Tim Sherwood and Neil Ruddock.

After giving up acting school at 15, Hall went on to promote records for stars like Frank Sinatra and the Bay City Rollers and Clive Dunn – and claimed to have launched the careers of Queen and Cockney Rebel.

He moved into football in 1986, after a chance meeting with Tottenham's Steve Perryman when in a nightclub with friend Terry Venables.

Lesbians top for same-sex divorce rates

DIVORCES among same-sex couples in England and Wales nearly doubled from 2018 to 2019, with lesbians falling out the most.

Office for National Statistics data, showed that there were 822 divorces among same-sex couples in 2019 compared to 428 in 2018.

Nearly three-quarters of these were between female couples.

The data also showed divorces of heterosexual couples rose by 18.4 per cent from 90,871 in 2018 to 107,599 last year.

But the ONS said that the scale of the increases in both cases was partly due to divorce centres processing a backlog of casework in 2018 which was likely to have translated into a higher number of completed divorces in 2019.

VIEWERS STUNNED BY COUNTDOWN BABE'S FAMILY FORTUNES ANSWER...

DOES RACHEL RILEY SHAVE HER HUSBAND'S BALLS?

COUPLE: Rachel and Pasha and (below) the family with host Gino

COUNTDOWN telly scorching Rachel Riley shocked ITV viewers when she referred to waxing BOLLOCKS.

The blonde Maths genius made the cheeky suggestion during Sunday night's charity edition of *Family Fortunes*.

Rachel, 34, was appearing alongside her hubby, former *Strictly* dancer Pasha Kovalev, 40, and her mum, younger brother and a cousin on the show.

Host Gino D'Acampo asked the Riley family: "Name something you can wax."

And Rachel responded instantly: "Your balls."

This, naturally led viewers wondering if Pasha has silky-smooth nether regions and if gorgeous Rachel does the job for him!

Gino decided that was a bit too naughty for the show's computer and changed "balls" to "family jewels" instead.

Genitals

But even that wasn't enough – and only earned Rachel the dreaded "nuh nurr" incorrect "X" result.

The babe had already made another reference to men's genitals earlier in the show, when Gino asked the contestants to "name something you can stuff".

The round swapped from Chris Kamara and

By **SUZIE SHELTON**
news@sundaysport.co.uk

family over to the Rileys after the Sky Sports presenter's clan said stuffing a bra with a sock – but also got an X.

Rachel responded coyly: "It's like when you stuff your shorts. It's the female equivalent."

That was wrong, too, but the Riley family still went on to win the episode – claiming a jackpot of £30k for their chosen kids' charity, the Angus Lawson Memorial Trust.

But while the show aired, Rachel – a key campaigner against anti-Semitism – was bombarded with tweets from pro-Palestine campaigners.

And oddjob tweeter @Danielianclarke piped up to ask her: "Love to know your opinion on foot fetish Rachel?"

Julia Rose shows a hint of bud!

SOMETIMES, less is more.

And gorgeous Julia Rose proved that when she showed off just the **TEENIEST** hint of nip in her latest social media offering.

The 26-year-old magazine publisher, model and influencer also gave fans a huge slice of her **ARSE** in this amazing snap.

One fan said: "I would use her poo as potpourri!"

Hollywood sex symbol BLEACHED her pubes!

MARILYN Monroe bleached her pubes – and that's OFFICIAL!

That's according to celebrity hairstylist Kenneth Battelle, who was working on a biography when he died in 2013 at age 86.

Now his notes have been turned into a book, *Kenneth: Shear Elegance*.

In the book, the legendary crimper recalled meeting Monroe for the first time. He was called in to help fix her hair, which was falling out

due to all the bleaching and perming while she was filming *Some Like It Hot*.

Battelle revealed Monroe didn't want to wear panties, since they would show through her dress.

But that meant her naturally brunette PUBES showed through her trademark white dresses (above).

"So I went downstairs to the hotel drugstore and bought her powdered milk of magnesia, 20% peroxide and spirits of ammonia. It's a very old formula for decolorizing hair."

"I told her, 'Now go in the bathroom and bleach'. Nothing showed through when they switched on those bright lights."

easyJet crashes to £1.27bn loss

LOW-COST carrier easyJet has slumped to its first full-year loss in its 25-year history as the coronavirus crisis sent it nosediving into the red by £1.27 billion.

The group's pre-tax loss for the year to September 30 comes after passenger numbers halved to 48.1 million as the pandemic crippled the aviation industry.

easyJet's losses compare with profits of £430 million the previous year.

IN the Middle Ages, having red hair was undoubtedly a bad thing.

The influential book *Malleus Maleficarum* – used by witch hunters all over the world, notes that red hair and green eyes were thought to be the sign of a witch, werewolf or vampire.

The tome cautions: “Those whose hair is red, of a certain peculiar shade, are vampires.”

“It is significant that in ancient Egypt – as Manetho tells us – human sacrifices were offered at the grave of Osiris, and the victims were red-haired men who were burned, their ashes scattered far and wide.”

By **WENDY THOMAS**

Today, though – thankfully – such superstitious nonsense is behind us, as red-haired people are widely accepted as the equal of normal people.

In fact, some people even dye their hair red!

HORNY Holly Gibbons revealed she isn't lazy when it comes to keeping her lover satisfied in the bedroom.

The kinky 23-year-old admitted she isn't scared to take the lead between the sheets, and loves nothing more than straddling her man in her fave position – reverse cowgirl.

Holly, from Brighton, said she is more than happy for her man to lie back and enjoy the impressive view while she takes charge.

And after seeing these incredible snaps, we're sure no fella would mind!

The 32E stunna said: "Reverse cowgirl totally works by hitting the right spot to climax.

"I think it's good for blokes, too, mainly because it's a bit like doggy for them but they can lie down.

"It's lazy man's sex and they still get a delightful view of their girlfriend's bottom.

"My second favourite is doggy style – it's just totally animalistic and VERY naughty!"

SNOW

By JOHNNY JOHNSON
news@sundaysport.co.uk

A PERVERT hid in a shop's Christmas tree selection and furiously masturbated – before spraying the festive displays with jets of sticky white love piss from his cock.

Perrion Smith, 30, “discreetly” hid behind the trees and pleased himself in the unidentified store in Thibodaux, Louisiana.

Despite his attempts to conceal himself among the festive foliage, he was spotted performing the solo sex act by multiple horrified customers, it is alleged.

Police were called, with Smith then fleeing the scene as they arrived.

Thibodaux Police Department Chief Bryan Zeringue said later: “Mr Smith’s actions were sickening.”

“There is no place for this type of

lewd behaviour and we will push to see that he is prosecuted to the fullest extent of the law.”

Smith’s alleged antics forced the shop to dispose of £400 worth of artificial Christmas trees, over fears the alleged pervert had soiled them with his dirty cock mess.

Stinking

A shop source said: “We can’t sell Christmas trees that may have been liberally decorated by ribbons of a degenerate’s stinking bollock bile.”

Smith was arrested on charges including obscenity.

He was taken to Lafourche Parish Correctional Complex, where he is being held.

THIEF WAS TAKING THE PIZZA!

A HUNGRY thief was caught on CCTV making himself a pizza before driving off with the eatery’s delivery vehicle.

Oscar Sanchez, 25, was arrested for allegedly burgling Big Slice Pizza in the city of Fullerton, California.

The Fullerton Police Department posted a video to their Facebook page showing a man making himself the meal during the crime. With gloves on, he can be seen stretching the dough.

“Before he stole their delivery car to leave, he couldn’t resist his craving and helped himself to making a pizza pie!” the police department wrote in the social media post.

Sanchez is also accused of stealing cash and tablets from the pizza shop.

He was charged with suspicion of grand theft, grand theft auto, second degree burglary, the possession of burglary tools and other crimes.

11 dead in motorway gas tanker explosion

A GAS tanker explosion on a busy motorway killed at least 11 people.

The massive blast shook the Guadalajara-Tepic highway in Mexico.

Authorities said the explosion was caused by a tanker truck carrying natural gas that crashed into three other vehicles, bursting into flames.

Immediately after the smash, motorists left their cars and walked towards the collision on the road ahead – only to scramble for their lives in the other direction when a burst of fire and smoke erupted in front of them.

At least five people were killed in a pickup truck at the scene, three others while inside a Honda car and another three in an unidentified vehicle.

WOMAN KEPT DEAD HUBBY IN FREEZER

A WOMAN kept her husband’s body in a freezer for nearly a year – then lost a lawsuit to have his corpse returned to her.

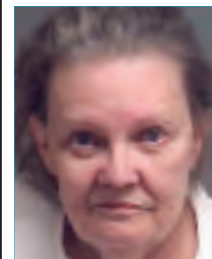

Barbara Watters, 68, demanded that officials return the remains of dead husband Paul Barton after she was arrested for keeping them in a fridge in the bedroom of her home in Joplin, Missouri.

But a federal judge dismissed her lawsuit.

Watters claimed she kept 71-year-old Barton’s body in the freezer after he died because she feared a doctor would cut up the remains for medical study.

“He told me to buy a freezer and to put him in it, so he could not be dug up,” Watters (left) said.

Watters was charged with abandonment of a corpse, but the case was dropped because a judge reasoned that she had only intended to “preserve” the remains and keep her late husband close to her.

By SUZIE SHELDON news@sundaysport.co.uk

WHO would have thunk it...?

Men like looking at blonde babes with MASSIVE boobs!

But that's not because we're all slavering sex pests – there's proper science behind our ogling...

And, as with most things to do with human behaviour, evolution and the survival of the species come into play.

Preferring larger breasts can indicate a lot of things, but it might mean you're ready to be a dad, research suggests.

The study found men who did not have kids but wanted them were into larger boobs, and fellas who had no familial aspirations were content with smaller pairs.

In this case, dads who like blondes with big boobs can breathe a sigh of relief – your preference means you just want what's best for your kids.

Boffins also found that looking at blondes with big boobs makes you happy, by stimulating the production of life-lengthening happy hormones.

So here's five pages of blondes with big boobs to take your mind off COVID...

He'd stabbed his first victim to death...

HE KILLED... WHILE COPS LOOKED ON

HELL:The scene of Cherylee's death

METHODICAL: Paul O'Hara appeared 'measured, not frantic' as he knifed Cherylee in the street

FIRST: Janine Waterworth was stabbed as she waited for the bus

PAUL O'Hara was released from jail in April 2012 and he first met Cherylee Shennan at her second-hand furniture store in Heywood, Lancashire, 12 months later.

At that time, Cherylee had no idea O'Hara had been in jail for murdering an ex and was free on life licence.

He started working for her and, by July 2013, they were in a relationship.

By September, O'Hara became a more frequent visitor to her home in Rawtenstall.

Friends and neighbours noticed that Cherylee had become "more withdrawn" and was "reluctant to leave her house".

Broken

The first signs of violence towards her came in November 2013 at a Bonfire Night party, where she had a broken nose and black eye.

Cherylee said she'd fallen down the stairs. She made the same excuse again after Christmas when more injuries were seen. She later admitted to

a friend that O'Hara had fractured her jaw and threatened her with a knife on two occasions.

Police were informed but Cheryl said she didn't want any action to be taken.

Officers decided that nothing further could be done but they would keep the matter "under review".

O'Hara saw his probation officer on March 12 and said he was concerned about the allegations made to the police, fearing that his

FREED...TO KILL AGAIN

licence could be revoked.

He was advised by the probation officer not to speak to Cherylee until the allegations were "clarified".

Violence

On March 14, 2014, despite the accusations of domestic violence, the probation service chose not to call O'Hara back to prison.

And three days later, he murdered Cherylee Shennan.

Two police officers, DS Damien McAllister and DC Karen Kenworthy, went to Cherylee's home on March 17.

Surely, with the police there, no harm could come to her.

While the officers were in the house, O'Hara arrived and forced his way into the property.

He was carrying a claw hammer inside a plastic bag.

DS McAllister and DC Kenworthy did their best to calm him down but O'Hara started to attack Cherylee with the hammer.

At the trial that followed, the court heard how Cherylee managed to get free and stagger to the back of the house.

Injuring the police officers, O'Hara quickly caught up with her and started to strangle her.

One of the officers then grappled with him while the other got Cherylee out.

Bleeding

Breaking free once more, O'Hara went into her kitchen, took a knife and barged his way out of the house.

With the bleeding police officers unable to keep up, he chased Cherylee in the street, dragged her to the ground and stabbed her five times.

Neighbours reported seeing Cherylee kneeling in the street as O'Hara "methodically" rained down blows.

IN FRIDAY'S

he was allowed to do it again

HAPPY: Cherylee used to work as a beautician

DETERMINED: O'Hara killed Cherylee as two police officers tried to stop him

Witness Deborah Walsh said he appeared "measured, not frantic" as he thrust the blade into her body.

Poor Cherylee was pronounced dead at the scene, a post mortem exam revealing the former beautician died of multiple stab wounds.

She was Paul O'Hara's second victim. Back in 1998, a 28-year-old O'Hara had killed Janine Waterworth in a "frenzied attack" in an alleyway in Oldham days after she'd dumped him.

O'Hara, who recently was told he would die behind bars, ambushed 20-year-old Janine just 400 yards from her parents' home in Shaw, Oldham, as she walked to catch a bus to work.

He hid in an alleyway next to the bus stop before pouncing and stabbing her a dozen times with a kitchen knife. He only stopped when the blade snapped.

Because the attack happened so early in the morning, nobody was around to witness it. Janine's body was found in a pool of blood

by neighbours shortly afterwards.

Before his arrest a few hours later, O'Hara told relatives, "I think I've killed Janine. I can't believe I've done it. I just lost it."

O'Hara was arrested in Oldham town centre three hours after the killing. He was charged with murder the following day.

He appeared in court for the first time on April 1 and, in dramatic scenes, collapsed in the dock.

He later admitted murdering Janine and was jailed for life at Manchester Crown Court on November 24.

Tragic

Sending him down, Judge Simon Fawcus told him: "This was a tragic and brutal killing, an absolute waste of a young life."

O'Hara served just 13 years in prison for Janine's murder before being freed to kill again in April 2012.

At his trial for killing Cherylee, Preston Crown Court heard O'Hara admit to murder

as well as wounding and assaulting the two police officers.

In sentencing him to spend the rest of his life behind bars, Judge Anthony Russell QC declared him to be "very dangerous to women".

He gave him 10 years for the attack on DS McAllister and two years for the assault on DC Kenworthy, to run alongside his whole life term for murder.

At the time, DS Eddie Thistlethwaite said, "Paul O'Hara is a predatory and violent individual, manipulating his victims, including Cherylee, and preying on their craving for love and attention."

"He has shown little or no remorse throughout this process and his actions fully justify the sentence which has been imposed."

At Cherylee's inquest, a catalogue of failings by the authorities were exposed.

After three weeks of evidence in front of a jury, the inquest ruled that Cherylee was unlawfully killed.

It found a failure to

recall O'Hara to jail – despite Cherylee's reports of his violence towards her – contributed to her death.

A damning report by Lancashire coroner James Newton blamed the "lack of inter-agency management or the appropriate sharing of information" as possibly contributing to her death.

The report also argued there was a weak understanding of O'Hara's manipulative personality and poor risk management of him.

Vulnerable

It found there had been no face-to-face visit carried out by Greater Manchester Probation Trust (GMPT) preceding his release and afterwards there was no visibility of his licence conditions.

GMPT also did not inform police of O'Hara's relationship with Cherylee, which meant no "vulnerable person marker" was put on her address.

Mr Newton said if police had been aware of

the relationship there could have been "other pairs of eyes" keeping an eye on the situation.

The inquest heard that, on release in 2012, O'Hara was considered at "high risk of causing significant harm to women".

A probation spokesman said: "This was an appalling crime and our thoughts remain with Cherylee's family and friends."

"Since her tragic murder there has been a complete reorganisation of the Probation Service and a significant number of operational changes and improvements have been made."

"We will be giving the jury's conclusions very careful consideration and will see if there is anything further for us to improve."

Cherylee's mother probably summed it up best when she said: "Probation and police had all the information they needed to stop this, yet they let it happen."

"We as a family now have to live with that knowledge – and without Cherylee – for the rest of our lives."

TWISTED TEEN GUNS DOWN HIS FAMILY

DETAINED: Mason Sisk

Monster shows no remorse for massacre, report shows

A TEENAGER shot dead his entire family in a grisly massacre after discovering his mother wasn't biologically related to him.

Mason Wayne Sisk, 15, has since shown no remorse for the slayings while locked up at a juvenile detention centre.

He faces murder charges for the fatal shooting of his dad, stepmum and three younger siblings in September last year in Elkmont, Alabama.

The teen, who has been charged as an adult, was 14 at the time of the killings, which have seemingly not affected him, court documents say.

"Mason does not seem bothered by the fact he's accused of murdering his family," his juvenile probation officer wrote in a report.

"He has not shown any sign of remorse. While in detention, he has not talked about his family at all."

Revelation

But Sisk – whose cousin believes the slayings were sparked by the revelation that his mother was not biologically related to him – had been getting along with other lags at the Tennessee Valley Juvenile Detention Centre in Tusculum.

His probation officer added: "In detention, Mason follows directions, does his schoolwork and interacts well with others."

The new documents also revealed that all five of Sisk's relatives were shot in the head.

He is facing three counts of murder of a victim under the age of 14 and one count of murder of two or more victims.

Executed

If he had been over the age of 18 at the time of the killings, Sisk would have been executed, if found guilty.

The US Supreme Court has, however, banned executions of people who were minors at the time of their crimes.

The victims have been identified as Sisk's father, John Sisk, 38, stepmother Mary Sisk, 35, and his three half-siblings, including six-year-old Grayson, five-year-old Aurora and six-month-old Colson.

#HOT'N'HORNY

FORMER soldier Briony Murray was grilled by her superiors after hundreds of her saucy photos and videos were found on X-rated sites – including one of her posing with her regimental tie.

Briony showed off her svelte figure in various snaps, which got top brass hot under the collar.

The steamy snaps show the babe topless or in lingerie and feature on various nude sites, where she used different names.

The photoshoots and videos were shot before the 26-year-old joined the army.

However, most still remain online – including one profile where she is listed as 'Briony M', with a bio which states that she started her nude modelling career in 2013.

Her racy past shocked colleagues at the time, with one commenting that "the Army hires all sorts".

Another said: "Some might say it's a shame she's turned her back on her old job. "But she's got a long career ahead of her in the Armed Forces."

JUSTIN DUNN'S ROOM 101

WHAT'S ANNOYING HIM THIS WEEK?

This is the end of the road for Dishy Rishi

BURNING THROUGH BILLIONS: Rishi Sunak

USELESS politicians are more common than you might think.

Right across our four nations, from parish councils to town halls through to regional assemblies and, of course, the big one down in That Fancy London, the hot air salesmen are aplenty.

Most recently we can count quite a few who used to sit right alongside ex-Labour leader Jeremy Corbyn, like Richard Burgon and Diane Abbott – and Corbyn himself – to name just three.

But by far and away the biggest idiots are those currently sat around the cabinet table in Number 10.

We all know Boris is doomed if and when coronavirus is finally conquered – but what of those around him?

Health Secretary Twat Handjob is surely a nerdy, irritating neck just begging to be axed.

Wanking

Likewise Education Sec Gavin Williamson, a man whose entire demeanour suggests he came extraordinarily late to wanking.

And we can now add the previously admired Chancellor Rishi Sunak to that list.

The man credited with burning through billions in furlough cash and business support was until recently being touted as a replacement for Boris himself.

But he completely f**ked himself.

Dishy Rishi has come up with a completely unoriginal way of trying to refill the nation's coffers by sticking it to motorists yet AGAIN.

He's concerned that as drivers switch away from petrol and diesel cars, they'll no longer be able to sting us all on fuel duty or the

"emissions" used to gauge how much road tax we pay.

But rather than celebrate the dawn of an era with less pollution, the Government's mind has returned to its one central obsession – cash. Sunak's solution is to suggest switching to charging all motorists up to £1.50 a MILE for the simple pleasure of using that hunk of metal they have splurged hard-earned thousands on already.

This is MADNESS. So mad, in fact, that the Labour Party, when it was still almost sane, looked at it in 2007 and swiftly decided it wasn't a vote winner.

Now, Boris has already run into trouble over his supposed "oven-ready" Brexit deal with the EU which still appears nowhere near becoming reality.

Now his Government wants to reheat a Labour party policy that is guaranteed to piss

off every driver in the country.

And all so they can burnish their green credentials in the vain hope that young people – aka future voters – will reward them with a tick in the Tory box on election slips.

Almost everyone agrees that a cleaner world would surely be a better place for us all, but why should it cost us so much?

And can't we just keep our own money for once?

Sucking

Hammering the motorist has long been the tried and tested way of sucking more of our cash into the Treasury.

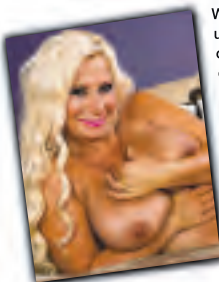

But everyone is sick of it.

Unless they want to dramatically reverse their surprising 80-seat majority at the next general election, the motorist-bashing mullahs need yet another of their much-favoured U-turns.

THE WORLD FAMOUS AGONY Page

Dear Ashleigh,

I'M a 32-year-old woman with a bit of a problem. I have taken to going out late at night and flashing my knickers to lorry drivers.

I get so turned on by yanking up my skirt and revealing my panties as they go by. Some flash their lights and honk their horns but others stop to have some fun.

In the past three months I have been with about 20 lorry drivers in their cabs. I just can't stop doing it and some of the lorry drivers now know me quite well.

They'll actually do a detour for a handjob, blowjob or even full sex with me over my car bonnet or in their lorry cab. It's always safe sex with a condom but I'm so addicted to the thrill I'm doing things I'd never imagined.

For instance, last night I went out in just stockings, suspenders, and a coat and was serviced by three truckers at the same time.

The first one had me over the bonnet with his cock right up my arse, while another was sat on the bonnet with his cock in my mouth and the third had got down on his knees to lap and finger my pussy.

I had the most amazing climaxes. They took turns exploding in my arse, pussy and mouth. When I got home I was dripping in cum.

My boyfriend works away quite a bit, so these are the times I go out. But if he found out he'd be mortified.

I'm also worried the police will catch me one day – and if they do my world will fall apart. What should I do?

LT, Kent

Ashleigh says...

WHY not try a local dogging hot-spot. Better still, try and introduce your fella – slowly – to the scene.

Dear Ashleigh,

MY missus loves me to f**k her in the face – but my nads often give her black eyes as I'm pumping hard and fast in her mouth.

Every time she wants a mouthful these days I think the f**king social services are going to be round about wife-battering.

I know most fellas like the idea of putting one in the mouth, but to be honest I'd rather have her up the usual route.

What can I do?

NP, Liverpool

Ashleigh says...

EVER heard of those knitted nut protectors or welding goggles?

My girlfriend wants me to shag her pal

Dear Ashleigh,

MY girlfriend has told me she wants me to shag her best mate on this girl's birthday while she watches. Her mate is well fit, with long blonde hair, massive jugs and a fine figure.

The idea does turn me on and my bird has been dirty in bed recently as she says the idea of watching me shag her mate gets her going big time.

Just last night I shagged her up the arse for the first time ever. She moaned with pleasure as I slowly slid my eight-incher

up her tight little bumhole.

It was brilliant as I watched my cock sliding in and out. I pulled just as I was about to come and she sucked me off.

But I'm uneasy about shagging her mate and I think it could ruin our relationship.

What do you think?

HR, Peterborough

Ashleigh says...

YOU are right to feel uneasy about this. If you go through with it, you WILL damage your relationship – but you will probably have a lot of fun!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week ASHLEIGH GEE has been reading through your letters. And here's her advice for you...

Bi babes tease punters, then tease my todger!

Dear Ashleigh,

I MUST be the luckiest bloke in the world because I'm shagging two gorgeous bisexual pals – at the same time

They're both 21, at university and they like nothing more than a hot three-in-a-bed session with me.

I'm 26 and I met the girls when they came into the pub I manage looking for work as barmaids.

There was only one vacancy but I took them both on as I thought a couple of great looking girls would pull in the punters.

Ours is a fun pub so I asked them to dress as college girls when they were on duty and they agreed with a wink and a giggle as they felt up each other's bums.

They are stunnas and the customers loved them when they saw them in their tiny mini-skirts, white open-neck shirts and uplift bras.

They also loved the fact that the girls were constantly flirting with one another and

making saucy comments about what they'd be doing to each other when they got home.

I took them both out for a meal a few weeks after they started work, and during the meal the talk was so flirty and dirty I had to sit with a hard-on throughout it.

They share a house with two other lezzer girls and after we'd finished they invited me back there.

Fingers

I still didn't think they had any inclination towards shagging men but to my surprise no sooner had we got indoors than they were all over me, feeling my rock hard knob through my trousers. As they slipped their fingers into my flies I damn nearly shot my load there and then right there in the hallway.

Then we all went up to their bedroom, stripped off and dived on one of the beds.

First, one of them went down

on me while her mate squatted over my face so that I could give her fanny a good licking out.

Then they swapped over and I was in my element as these two stunnas took it in turns to suck me off as they probed each other's slippery slits with their agile fingers.

But the best was still to come because one of them asked me if I had ever had anal sex.

When I said I hadn't, she giggled and got on all fours while her pal lubed her up and guided my erect todger into her tighter hole.

I began to thrust and she was squealing with delight. Her girlfriend was happy too as she lay beside us fiddling with her hard little clit.

The session lasted four hours and we all climaxed several times. Am I sorted, or what?

CD, south London

Ashleigh says...

THIS is the stuff of dreams – be sure to keep us posted.

We're lesbians but enjoyed 3-way with my horny male boss

Dear Ashleigh,

ALTHOUGH I am a lesbian, and I have had a lovely girlfriend for four years, I recently cheated on her with my male boss.

To cut a long story short, we were the only ones in the office one night, he came on to me and I fancied it.

I got straight down to the bulge in his trousers. His cock was huge and tasted better than other cocks I'd sucked before. He was the first man I'd had sex with in six years.

He pleased me like never before and I did not hesitate in gobbling down his love-juice.

My boss knows my situation and suggested a threesome with my girlfriend – and to my

surprise she jumped at the chance.

He came round with some champagne and we all headed upstairs for a shower. I let him screw me from behind in the shower while my girlfriend soaped my tits.

Then he banged her doggy-style on the bed as I sucked his balls from below.

He then said he wanted to tie us both to the bed and f**k us up the arse. We agreed and he tied us with my stockings and then pounded our arses.

My girlfriend says that was a one-off but I want to do it again. How do I persuade her?

DC, Cheshire

Ashleigh says...

Keep plugging away. Sound like she won't take much persuading.

DO YOU HAVE A SEX PROBLEM?

Dear Ashleigh,

THE youngest brother of my hubby has turned out to be a right stud.

When we married he was a teenager but now he's in his mid-20s and he's absolutely gorgeous.

Last week I put on my sexiest undies and let my brother-in-law glimpse up my skirt when he came round to do some odd jobs on the house.

The next thing is, I catch him banging one off in the toilet and I tell him: "You don't have to do that."

I got hold of his massive todger and guided it straight into my soaking wet hole and we were off.

Five sweaty minutes later we were both wearing large smiles.

Before we left I sucked him off and swallowed his spunk.

I'm thinking of trying the middle brother next. What do you reckon?

GT, North Yorks

Ashleigh says...

YOU'RE playing with fire and you're going to get burned.

#MY SEX FANTASY

'I confess I dream of having threesomes all of the time!'

...WITH
**BROOKIE
LITTLE, 26**
30G-25-36
FROM
WEYBRIDGE,
SURREY

I HAVE a confession...I fantasise about threesomes all the time!

I've had a few in the past, the first when I was 23.

It was at a party and my best friend and I went up to a guy and in a very straightforward manner asked if he would like to have it off with both of us.

He was more than game and it was super hot – he loved watching me and my mate pleasure each other.

It's a huge thrill because it's like being in a

porn film that you are also watching. I love the attention and it's a boost to the ego when two people want you.

It's also a delicious sensory overload, having two pairs of hands or tongues on you.

Quite simply, I just love watching people f**k and I love f**king.

It feels very animalistic, like you are all using each other for your bodies.

But having said that, there really is something of a spiritual connection in being that honest with each other, if that makes sense.

#HOT'N'HORNY

ROXY Taggart sounds like she should be a stripper from the rough end of Glasgow.

But in reality, she's a top porn star from the less-lovely half of former Czechoslovakia.

Roxy said: "I have natural 32E breasts and so many glamour photographers begged me to pose topless for them."

"I was glad to oblige - and then sucked one of them off to say a big 'thank you' for giving me a break."

"As he hosed me down with his hot, sticky spunk, I thought, 'Hey! I could do this for a living...'"

"So I got into porn and now I do the lot - anal, DP, S&M, and even watersports."

"Men love to see a woman with natural breasts urinating...TINKLE, TINKLE... HA, HA!"

SPECIAL OFFER: ANY 3 PRIVATE SHOPS DVDS FOR £25 (was £75)

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Down on Abby* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another **£5 OFF** the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Small*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you **MUST** not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

SHOW ME THE HONEY!

ANASTASIA DEVINE

BARISTA Harry Taunton says his coffee isn't the only thing that froths when he catches a glimpse of Anastasia Devine.

The 37-year-old coffee expert, from Llandudno, Wales, says 35-year-old Croydon cutie Anastasia gets him going.

Harry said: "I love my job and I spend my days making milky, frothy coffees, but at night I love looking at photos of Anastasia's 36D norks."

"I've grown up lusting over Anastasia, whenever I ogle her bare boobs, my coffee isn't the only thing that gets milky and frothy – another photo of her, please?"

WELCOME to interactive Midweek Sport – where YOU get to choose the stunnas appearing on these pages!

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for.

This service – UNIQUE to British newspapers – is totally FREE!

All you have to do is drop us an email to request@sundaysport.co.uk telling us why you want to see your favourite girl, then sit back and let us do the rest.

JAMIE HALL

COMMUNITY support worker Aasim Khan absolutely loves his favourite glamour girl Jamie Hall.

The 29-year-old, from Accrington, Lancashire, wrote in to ask for a saucy snap of 24-year-old Manchester babe Jamie.

Aasim said: "I have an elderly man I regularly visit at work and he always buys the *Sport*, so whenever I go round I have a flick through."

"Jamie's 34E knockers always get me going and she's not only my favourite stunna but also my client's – make both our days, would you?"

LINSEY DAWN

WINDOW cleaner Martin Sykes begged us for a photo of mega-boobed glamour legend Linsey Dawn McKenzie.

The 57-year-old, from Hartlepool, says he's seen some sights over the years but he's never seen anyone like 34DD Epsom stunna Linsey, 40.

He said: "She's a beauty is Linsey, every time I see a photo of her I go weak at the knees."

"In my years as a window cleaner I've seen plenty of naked women through the windows – but if I saw Linsey in the nude I'd probably fall off my ladder!"

#HOT'N' HORNY

SAUCY Sam Tye reckons that **THREE** is the magic number when it comes to adult fun between the sheets.

The stunning 32E glamour model said she's experimented in bed and loves a cheeky **THREESOME!**

And the 27-year-old also said she lusts after risky romps in public.

Sam, from Reading, Berks, said: "I've had a threesome with an ex-boyfriend and a friend - another girl."

"It was incredibly hot and the first time I'd been with another woman."

"She was very sensual, and his face looked like all his Christmases had come at once!"

"Me and my fella also got carried away on holiday one time, and just went for it on the balcony."

"Even though a fellow guest caught us, it didn't stop us carrying on!"

"Although you can't beat a nice comfy bed, I do like the occasional outdoor romp - in a field or in the car."

"It feels so naughty and spontaneous - and there's the thrill that you might get caught out at any moment."

STRUGGLE:
Mikel Arteta

My Gunners taking Mik blasts boss

MIKEL Arteta says his Arsenal side is miles away from being Premier League challengers.

It's a case of one step forward and two steps back for the Gunners this season. They pulled off a brilliant away win against Manchester United but followed that with a lacklustre 3-1 home reverse against Aston Villa.

Now the Spaniard is warning that it may take some time for the Londoners to get their place back in the top four.

Arteta said: "We're a long way, I'm afraid. It's part of a process. The results have to be immediate, and the challenge we have with the club we are representing is that we have to win as quickly as possible every game in every competition."

"So far we have played 14 games in all competitions this season, we won 10 and lost four and the four of them have been in the Premier League, so it is a little bit imbalanced."

"There are a lot of things to do, short term and medium term, we have seen a lot of changes not only on the pitch but structurally as a club as well, it's been difficult, it's been a challenging time in the last three or four months, a lot of things have happened."

"We have to settle and everyone has to realise where we are now, but I see the future as really bright."

"I am a really positive person and I tend to learn much more when things don't go well and we have a defeat like we had against Villa that really hurt after the

HOSTAGE: Aubameyang

performance we had at Old Trafford.

"We have to understand why it happened, be really critical first of all with myself and try to understand the players better, and give them more solutions to win more football matches."

Meanwhile, Arsenal skipper Pierre-Emerick Aubameyang may need some time to recover from his international travels this week.

The Gabon ace says he and his team-mates were "held hostage" at Gambia airport for six hours after beating the home side 2-1.

They had their passports seized by local authorities and had to spend the night sleeping on the floor. It's not clear what happened but he tweeted: "Just want to know why Gambia keep our passports for hours and they keep us at the airport. Are we hostage or what? Are you gonna close your eyes?"

ROARING LION: Jack Grealish has been on fire for England

JACK: I'M LIKE AN EXCITED KID

Grealish watches videos to copy his heroes

By PAUL THOMAS

JACK Grealish watches videos of Kevin De Bruyne and Philippe Coutinho to brush up his own game.

The England schemer says he tries to copy those stars to make himself a better player.

The Aston Villa captain has done little wrong since pulling on a Three Lions shirt. He has already become a firm fans favourite and looks to have played his way into Gareth Southgate's plans.

Grealish is just happy to be getting a chance after a couple of seasons knocking on the door.

He said: "I've been watching clips of my favourite players."

People like De Bruyne and Coutinho and players that are in my position. It's what

I've done since I was a little kid and I still do it to this day and I have no shame in saying that — it's what gets me going before football matches."

Grealish was one of the bright spots as England lost 2-0 to Belgium in the Nations League.

It means they cannot qualify for next summer's final although they have the delayed Euros to look forward to.

Grealish hopes to be a part of that. He said of his display against Belgium: "I absolutely loved it, for me, this is what I've been waiting for."

"These are the games that I've dreamt of playing in, against the number one ranked team in the world, and I absolutely loved it out

there. I grew up wanting to play for England and I think everyone that knows me knows I just love playing football."

"I knew this was my chance to try and impress but these are the things that I love, the pressure of wanting to do well."

Makeshift

England have one match left in their Nations League series, against Iceland at Wembley.

It had looked as though the game would have to be moved to Germany thanks to Covid restrictions but the government have allowed the Scandinavians in.

Southgate is likely to field a makeshift side for a match that has nothing riding on it. And he believes that sev-

eral players will be asked to return early by their team managers.

The England boss said: "We will find out a lot now because for sure there will be pressure from some clubs on their own players."

"That is what we live with constantly but we have players who want to play for England and we have pride in the way we play and we want to finish well."

And Southgate is urging his players to give their all despite it being a friendly.

He added: "In terms of Iceland, it's still a game that gives opportunities for people to cement a place in the team or in the squad."

"So, we have players that want the opportunity to play. We'll need to freshen the team a little bit but we'll have to assess that."

England freeze out poor Iceland

CHANCE: Phil Foden

ENGLAND'S clash with Iceland tonight is now a meaningless friendly as the Three Lions are out of the Nations League.

Disappointing defeat against Belgium means the game is up when it comes to getting out of Group A2.

Surely boss Gareth Southgate will take the chance to give some valuable international experience especially with the game taking place at Wembley.

The treatment room is rapidly filling up with Jordan Henderson the latest to limp off and he surely won't face the men from the Arctic.

Ben Chilwell and Raheem Sterling are also crocked and not going to be risked with club bosses already hitting the roof over so many international games this early in the season.

It remains to be seen whether Southgate will start those who played most of the Belgium game, although he probably should keep Jack Grealish in the side after a classy display against the world No1 side.

England didn't actually play too badly against Roberto Martinez's side especially in the second half when they could have got on the scoresheet a couple of times.

You would expect to see either Nick Pope or Dean Henderson get a chance in goal and they are both a considerable upgrade on Jordan Pickford.

LIONS TOO HOT IN DEAD RUBBER

Others like Michael Keane, Ainsley Maitland-Niles, Harry Winks, Reece James and Phil Foden should also see some action.

Despite the team having a makeshift look, they should still be strong enough to see off Iceland.

They have struggled in this high level this season with just three goals in their five defeats.

They managed to hit the target against a weakened Denmark side in defeat last time after being knocked out of the Euros by Hun-

gary. It was also 2-1 when they faced Belgium so they are capable of hitting the target.

Looking at the match odds, England make very little appeal at 1/5 with Iceland a whopping 16/1 and the draw 6s.

The home side should clearly win this game but there's no money in those prices.

Even England winning to nil is long odds-on so the only real play looks to be in the correct score market.

Iceland have trouble

hitting the target but they don't tend to cop massive beatings with Denmark's 3-0 the worst in their past five games.

So we can have a small interest in England winning 3-0 at 11/2 with most bookies and 4-0 at 10-1 with Paddypower and Betfair.

Wales are in action against Finland while Scotland take on Israel.

The Finns are in cracking form with four wins on the spin and against fair teams too with a battling 2-1 success in Bulgaria last time.

So it's worth a little tinkle on Finland getting the better of the home side at 100/30 with several firms.

Visiting Israel is a tricky test for Scotland who must win to make sure they win group B2.

And they can do it with the Israelis winless in their past two home matches.

The Tartan Army were unlucky to go down 1-0 in Slovakia after their heroics against Serbia just a couple of days later.

They'll be knackered but can raise one more effort and reward their supporters at 13/8.

If you fancy the England, Finland, Scotland treble it pays around 12/1 depending on which firm you use and looks a decent bet.

BUTTLER READY TO POP BACK IN BUBBLE

CRICKET

JOS BUTTLER says he can't wait to play for England again after being stuck in the IPL bubble.

The Three Lions wicket-keeper batsman has been in India along with most of the squad playing for various teams in the world's biggest T20 league.

Now that's over, he is looking forward to taking on South Africa with old pals like Ben Stokes in a white-ball series that starts next Friday.

The team jets out at the weekend and he is ready to get back into yet another bubble. But he admits it's not easy to be stuck in that situation.

Buttler said: "If you're feeling under pressure or not quite feeling yourself the key is to have the confidence to open up and talk about it."

"We all go through it at different stages where you feel a bit homesick or claustrophobic when you can't get out and about like you'd usually like to so we just want to make sure everyone is aware of that and one thing the ECB is excellent at is looking after the players' mental well-being."

"It's the restrictions on your freedom. I found it was tougher to escape the game staying at hotels on grounds in England. They were high-pressure matches and when you've put a lot into the game it's nice to get away."

"Looking out the window and still being on the ground makes it tougher to have your differentials between the game and your relax and recovery time."

He thinks the team will have no problems handling the conditions in South Africa.

Buttler added: "To go and win the series is the ultimate aim for us all."

"We're building towards a World Cup but one thing we did very

ON TOUR: Ben Stokes

well in 50-over cricket was win and learn at the same time.

"We're building into a tournament, so of course winning gives you confidence."

"When you can play well, you gain role clarity in the side, and you can try to nail down your 11 and 15 squad."

"It gives a lot of confidence to guys playing a lot of games with each other, because when you head into a tournament in high-pressure situations, you're very familiar with your own role and what you expect of your teammates."

CARLO ISCO SWOOP

Everton line up £20m Real Madrid ace

EVERTON are close to securing a £20m deal for Real Madrid ace Isco.

The Spaniard has been linked with a move away from the Bernabeu for the past couple of seasons after losing his regular starting spot for Zinedine Zidane.

Now it looks as though the Toffees have a deal over

the line with Los Blancos happy to accept £20m from ex-boss Carlo Ancelotti.

Everton have already brought James Rodriguez from the Spanish giants and he would fit well with Isco as the Goodison boys try to bring more quality to their squad.

The 28-year-old has two

years left on his contract but money is unusually tight for the Spaniards and they are looking to cash in.

Isco has made just three La Liga starts this season and is yet to figure in the Champions League.

And he could be joined by Arkadiusz Milik who has been frozen out at another of Ancelotti's former teams Napoli. The striker is a

current Poland starter but isn't even in his club's full squad so cannot play in Serie A.

Juventus and Roma are also in the hunt but Everton would be able to offer bigger wages for the 26-year-old.

He would also cost in the region of £20m and has scored 112 goals in his 254 league appearances.
